TODAY'S DATE: _____

The Grace United Methodist Church has funds available on a first-come, first serve basis for summer camp scholarships. These funds are only for use at Christian summer camps and must be approved by the pastor. If you would like to apply for a summer camp scholarship, please fill out this form and return it to the pastor at least 30 days before your camp session begins. Applications turned in later may not be able to be processed, at which point the camp balance will be the responsibility of the family.
